CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT

Board of Directors and Finance Committee
Children's HopeChest, Inc.
Colorado Springs, Colorado

Opinion

We have audited the accompanying financial statements of Children's HopeChest, Inc. (a nonprofit organization), which comprise the statements of financial position as of September 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children's HopeChest, Inc. as of September 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report. We are required to be independent of Children's HopeChest, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Children's HopeChest, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Children's HopeChest, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Children's HopeChest, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2023 AND 2022

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Children's HopeChest, Inc. ("Organization") is a nonprofit organization that helps highly vulnerable children overcome abandonment, poverty and violence. The Organization partners with churches, businesses, schools, and Christian communities. These sponsoring communities provide help, training and discipleship to vulnerable children, their families and their communities in highly impoverished areas. The Organization has active partnerships in Ethiopia, Guatemala, Kenya, Russia, Uganda and the United States.

Funding for these partnerships comes, in part, from a monthly child sponsorship program. Individual child sponsors provide a \$45/month donation during the year ended September 30, 2023, write letters, and pray for their sponsored child. This funding provides for direct survival needs such as food, water, clothing, and basic medical care. It also helps fund educational and vocational support, voluntary Christian discipleship, income-generating activities for the child's household, the establishment of Village Savings and Loan Associations "VSLAs", child rights advocacy, grief, and trauma assistance, as well as emotional guidance. These efforts are delivered through staffed "CarePoints" which are physical locations the children come to for assembly and program delivery.

The Organization is registered to do business in Ethiopia as Children's HopeChest Ethiopia, which is a field office of the Organization. It is not a separate legal entity and operation activities are controlled by the same board of directors as the Organization. The Organization also provides both capital project development and ongoing program support to help children and members of the community develop opportunity, life skills, and independent adult life. Those programs include:

- **Transitional Living and Life Skills Programs:** Family Center and Independent Living Programs (Russia), Emotional Health and Wellness Programs (all countries)
- **Community Programs:** CarePoints (all countries), Young Mothers Program (Russia), VSLAs/Self Help Groups (all countries except Russia), Community Leadership Programs (Uganda, Ethiopia, Guatemala, Kenya)
- **Education:** Uganda Leadership Development Program (Uganda), Guatemala Leadership Academy (Guatemala), Ethiopia Youth Leadership Program (Ethiopia)
- **Vocational Training:** Tailoring, Textiles, Baking, Carpentry, Masonry, Brickmaking, Soapmaking, Perfumery, Hair Styling, Petty Trade (various activities in all countries)
- **Animal Husbandry:** Chickens, Cows, Goats, Pigs, Sheep, Turkey (various activities in all countries except Russia)
- **Agricultural Programs:** Community Gardens, Household Gardens, Farming Co-Ops (all countries except Russia)

See independent auditor's report.

CHILDREN'S HOPECHEST, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

Accounting pronouncements adopted

In February 2016, the FASB issued ASU No. 2016-02, *Leases* ("ASC Topic 842"), which replaces numerous requirements in US GAAP, and requires organizations to recognize lease assets and lease liabilities on the statement of financial position. On October 1, 2021, the Organization adopted the requirements of ASC Topic 842 and the amendments related thereto and applied the new requirements to all contracts using the modified retrospective method. Upon implementation assessment of ASC Topic 842, management concluded that the adjustment required to the opening balance of net assets at the date of initial application was not material. Additional disclosures required by ASC Topic 842 are presented within the notes to the financial statements.

Basis of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of estimates

The preparation of financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from these estimates.

Cash and equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid instruments with an initial maturity of three months or less to be cash and equivalents.

The Organization maintains its cash and equivalents in financial institutions that, at times, may exceed federally insured limits. Accounts are guaranteed by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. At times during the year, cash may exceed the federally insured amount. This risk is managed by maintaining deposits with high-quality financial institutions and utilizing an insured cash sweep account. The Organization does not anticipate nonperformance by these institutions.

Certificates of deposit

Certificates of deposit consist of various certificates of deposit with initial maturities of more than three months. All certificates of deposit are carried at cost plus accrued interest.

See independent auditor's report.

CHILDREN'S HOPECHEST, INC.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2023 AND 2022

Contributions receivable

Contributions receivable, all of which are due within one year, are unconditional and recognized as assets and support in the period made. As of September 30, 2023 and 2022, management considers contributions receivable to be fully collectable and, accordingly, no allowance for uncollectable contributions has been recorded.

Property and equipment

All acquisitions of property and equipment in excess of \$2,000 with estimated lives exceeding one year are capitalized and recorded at cost, or fair value, if donated. Property and equipment are expensed using the straight-line method over estimated useful lives ranging from three to seven years.

Leases

Management determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use assets and lease liabilities in the accompanying statements of financial position.

Operating lease right-of-use assets represent the Organization's right to use an underlying asset for the lease term, and operating lease liabilities represent the Organization's obligation to make lease payments arising from the lease. Operating lease right-of-use assets and operating lease liabilities are recognized at the commencement date based on the present value of lease payments over the lease term. As most of the Organization's leases do not provide an implicit rate, management estimates the incremental borrowing rate based on the estimated rate of interest for collateralized borrowing over a similar term of lease payments at the commencement date. The operating lease right-of-use assets also include any lease payments made and exclude lease incentives. The Organization's lease terms may include options to extend or terminate the lease when management determines that it is reasonably certain that the option will be exercised. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The Organization has made an accounting policy election to account for leases with an original term of 12 months or fewer as short-term leases. Payments for short-term leases are recognized on a straight-line basis over the lease term.

Net assets

The financial statements present amounts by class of net assets as follows:

Net assets without donor restrictions consist of resources currently available for use in operations and those resources invested in property and equipment.

See independent auditor's report.

CHILDREN'S HOPECHEST, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

Net assets with donor restrictions consist of contributions restricted for the support of various projects and sponsorships or by the passage of time.

Support and revenue

Contributions, grants, and other income is recorded when cash is received, when unconditional promises are made, or when ownership of contributed assets is transferred to the Organization. In accordance with US GAAP, contributions received are recorded as without donor restrictions or with donor restrictions depending on the existence and/or nature of donor restrictions.

Donated services and materials

Donated services and materials are recorded as both contributions and expenditures in the accompanying statements of activities at their estimated fair values. Contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donations.

Foreign operations

As part of its ministry, the Organization maintains a field office outside of the United States. Management has reviewed the relationship with Children's HopeChest Ethiopia and has determined they are under the control and ownership of the Organization. The foreign financial statements are converted to United States dollars in accordance with US GAAP. The exchange rate at the statement of financial position date is used to translate assets and current year property and equipment additions. Property and equipment are shown at historical cost and translated in the year of purchase using the exchange rate at the statement of financial position date. The average rate for the year is used to translate the foreign statement of activities. The cumulative difference resulting from the foreign currency translation adjustment is reported in the accompanying statements of activities.

For the years ended September 30, 2023 and 2022, change in net assets attributable to Children's HopeChest Ethiopia operations was a deficit of \$179,916 and \$24,907, respectively.

As of September 30, 2023 and 2022, assets maintained by Children's HopeChest Ethiopia, which consist of cash and fixed assets, totaled \$124,584 and \$215,682, respectively.

The political climate in Ethiopia is subject to rapid change, therefore, subsequent changes could occur that would adversely affect the carrying value of the assets in Ethiopia may not be representative of the amount that would be realized. Management believes the assets and activities are properly stated as of and for years ended September 30, 2023 and 2022.

See independent auditor's report.

CHILDREN'S HOPECHEST, INC.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2023 AND 2022

Expense allocation

Expenses are recognized when incurred in accordance with the accrual basis of accounting. The costs of providing the various program services and supporting activities have been summarized on a functional basis in the statements of activities and functional expenses. These expenses require allocation on a reasonable basis that is consistently applied. Any costs that could be directly assigned to a specific function are allocated to that function. Salaries and benefits and occupancy were allocated based on time and effort. Depreciation expense was allocated based on the location and use of the specific asset. All remaining expenses were allocated based on the purpose of the expense.

Marketing and promotion

The Organization expenses marketing and promotion costs as incurred. Marketing and promotional expenses for the years ended September 30, 2023 and 2022 totaled \$21,868 and \$11,337, respectively.

Income tax status

The Organization is exempt from income taxes under Internal Revenue Code ("Code") Section 501(c)(3) and is not a private foundation under Section 509(a)(2) of the Code. The Organization evaluates the effect of uncertain tax positions, if any, and provides for those positions in accordance with the provisions of FASB ASC Topic 450, *Contingencies*. No tax accrual for uncertain tax positions has been recorded as management believes there are no uncertain tax positions for the Organization.

Reclassification

Certain prior period amounts have been reclassified to conform with the current year presentation.

Subsequent events

Management evaluated subsequent events through the date of the attached independent auditor's report, the date on which the financial statements were available to be issued.

See independent auditor's report.

CHILDREN'S HOPECHEST, INC.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2023 AND 2022

2. LIQUIDITY AND AVAILABILITY OF RESOURCES

Financial assets available for general expenditures, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date consist of the following as of September 30,:

	2023	2022
Cash and equivalents	\$ 784,995	\$ 660,663
Cash held overseas	121,073	209,693

CHILDREN'S HOPECHEST, INC.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2023 AND 2022

4. LINE OF CREDIT

The Organization has a line of credit with a financial institution in the amount of \$200,000. The line of credit bears interest at the Wall Street Journal Prime Rate plus 1% per annum, and matures March 2024. As of September 30, 2023 and 2022, there was no outstanding balance on the line of credit.

5. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of the following as of September 30,:

	2023	2022
Projects	\$ 271,945	\$ 278,421
Sponsorship	361,105	621,829
	<u>\$ 633,050</u>	<u>\$ 900,250</u>

6. RETIREMENT PLAN

The Organization sponsors a 401(k) retirement plan ("Plan") and makes contributions to the Plan on behalf of eligible U.S. employees. During the years ended September 30, 2023 and 2022, the Organization matched employee contributions 100% up to 3% of the employee's gross salary and 50% of the next 2% of the employee's gross salary. Employer contributions to the Plan for the years ended September 30, 2023 and 2022, totaled \$65,627 and \$54,711, respectively.

7. LEASES

Operating lease

The Organization leases office space under a long-term, non-cancelable operating lease, expiring March 2027. The terms of the lease offer a one-year renewal option at the option of the Organization for which management is uncertain whether the option will be exercised, and therefore, is not recognized as part of the Organization's right-of-use asset and lease liability. The lease agreement requires monthly payments ranging from \$3,126 to \$4,080.

Operating lease expense is included in occupancy in the accompanying statements of functional expenses and totaled \$43,155 and \$14,205 for the years ended September 30, 2023 and 2022, respectively.

See independent auditor's report.

CHILDREN'S HOPECHEST, INC.

Right-of-use assets obtained in exchange for new lease liabilities	\$ 178,751
Weighted-average remaining lease term (years)	3.58
Weighted-average discount rate	5.00%

8. EMPLOYEE RETENTION CREDIT

The Organization claimed the Employee Retention Credit under the Coronavirus Aid, Relief, and Economic Security ("CARES") Act totaling \$550,736. This amount has been received and included in the accompanying statement of activities for the year ended September 30, 2023. While management believes the claims comply with the provisions of the CARES Act, such provisions are subject to varying interpretations and may be subject to retroactive review. There can be no assurance that regulatory authorities will not challenge the Organization's claim to the Employee Retention Credit, and it is not possible to determine the impact, if any, this would have on the Organization.
